You buy a little more and you'll shake a little less  
If you knew what's good man you'd let it rest  
So pour me a cup, no, make it two  
Cause lord I got them coffee deficiency blues

I get up in the morning when girls in bed  
And if I don't get no mud then I'm better off dead  
You'll break my heart if that can is through  
Cause Lord I got them coffee deficiency blues

Sunday went by like I'd never know'd  
That the one and three was the number four  
Monday's come just a little too soon  
Cause Lord I got them coffee deficiency blues

I went down the street to my corner store  
They used to have my brand but they don't any more  
I took my cup and I filled 'er with booze  
'Cause lord I got them coffee deficiency blues

My woman took my rifle says I lost my mind  
The world's been turning but I ain't cryin'  
She put me down it was front page news  
All because I got them coffee deficiency blues
