Mockingbird  
Quincy Flint

Capo V  
Key A -> D

Mockingbird, mockingbird, sing a song for me  
Mockingbird, mockingbird, sing a song for me  
Mockingbird, fly so free, o'er the hills and through the trees  
Oh mockingbird, please, sing a song for me  
**Sing for me, Sing for me**

Mockingbird, mockingbird, sing a song for me  
Mockingbird, mockingbird, sing a song for me  
Mockingbird, spread your wings, sing a song before you leave  
Oh mockingbird, please, sing a song for me  
**Sing for me, Sing for me**

These winter winds in Washington are colder now than when she went  
Down south between the cypress knees, the Spanish moss, and coastal beach  
She sings, for me

She'll swim on down the Suwannee and swing upon the sweet gum trees  
Sail on through to Green Cove Spring and hopefully she'll learn to sing  
A song, for me  
For me, for me

Mockingbird, mockingbird, sing a song for me  
Mockingbird, mockingbird, sing a song for me  
Mockingbird is it spring, I just heard the church bells ring  
So, mockingbird, please, sing a song for me  
**Sing for me, Sing for me**  
**Sing for me, Sing for me** [DDAA | GGAA]
