Sweetly reclined  
**Quincy Flint**

Capo III  
Key C --> D#

A breath of the heavens  
In a child below  
Touched by the rafters  
An angel of snow

Old poets and prophets  
In false idols find  
The strength and the courage  
That wisdom belies

Muscari in jaundice  
Cut from the vine  
A flower unblossomed  
A bitter red wine

So pray to the father  
Have faith in his might  
When he peels back the curtain  
He brings in the light

A lamb of the pasture  
She'd frolic and smile  
Through a field made of laughter  
She's home for a while

Laughter and dancing  
Now silently sleep  
The words she was thinking  
Forever she keeps

As soft as the snow falls  
As certain as time  
She gently lays waiting  
Among crimson and white

A rose on her bosom  
A stone in her eye  
Of satin and silver  
Her bedroom lined
