What She Needs

Capo 3

**Quincy Flint**

Key D --> F

She welcomes all good lovers  
But she sings for just one night  
She's never seen the morning  
She's the dawn before the light

Now she ain't been to Texas  
But she can dance a good two step  
She can waltz and swing and shuffle  
And she can wear a damn good dress

She's seen many a bedroom  
And she's stood by many a side  
She'll never do you wrong  
But she sure won't do you right

She's been up the Blue Ridge  
She's been down the Santa Fe  
She's been out to Leesburg  
But she won't ever stay

**She's lonesome as a wallflower  
She's lazy as a tree  
She don't want for nothing  
She gets what she needs**

**She's lonesome as a wallflower  
She's lazy as a tree  
She don't want for nothing  
She gets what she needs**

She's serving drinks 'til midnight  
Then she'll dance under the stars  
She flips over that record  
And she picks up my guitar

It's been several years behind her  
Since her love and her did part  
Now I take his place beside her  
But I'll never take her heart

She says she don't know a single chord  
And she can't stand the blues  
But she knows every word  
To my favorite Guy Clark tune

'Cause He went up to New York  
He left her here behind  
And he ain't been back to Georgia  
But he never left her mind

**She's lonesome as a wallflower  
She's shady as a tree  
She don't stand for nothing  
She do just what she please**

**She's lonesome as a wallflower  
She's shady as a tree  
She don't stand for nothing  
She do just what she please**
