

I'll Never Hang Up My Hat  
Kyle Keller

**VERSE 1a [AA | AE | EE | EA]**

Well sometimes I just wanna take off my boots  
Trade 'em in for some corporate shoes  
I'll take off my flannel buy me a suit  
Find a real job and become someone new

**VERSE 1b [AA | AD | DA | EA]**

As much as I'd really love to slow down  
I cant help but keep living fast  
I'll hang up the laundry I'll hang down my head  
But I'll never hang up my hat

**VERSE 2a [AA | AE | EE | EA]**

Well sometimes I just want to quit singing songs  
I hate my voice and my songs are too long  
Songs are too slow they put folks to sleep  
I guess no one cares to know what they mean

**VERSE 2b [AA | AD | DA | EA]**

But everytime that I try to give up  
I just end up feeling so lost  
I might be afraid and I might be ashamed  
But I'll never stop singin my songs

**CHORUS [DA | EA | DA | EA]**

So friends if you love something do it  
Don'tlet your fear drive you mad  
You know that you look better with it  
So don't ever hang up your hat

You know that you look better with it  
So don't ever hang up your hat
